

International Conflict Resolution Day October 15, 2020

Planning is well under way for the Alberta celebration of International Conflict Resolution Day on October 15, 2020. We encourage individuals and organizations who are interested in dispute resolution practices in our province to host an event to mark the day.

You will find details about how to host an event and additional ideas on our website: <http://www.conflictresolutionday.ca/>. If you choose to host an event, please let us know so that we can promote your event on our website. Please provide your event details at <http://www.conflictresolutionday.ca/events1.html>. We have promotional and presentation materials available for your use that you can customize and use for your event.
